

GPT Mastery: A Comprehensive Guide To **Crafting Your Own ChatGPT** **Assignment**

Week 1

1.) Complete the Colab notebook

All of you are required to complete this notebook after finishing the Week 1 resources.

- 1.) Download and create a copy of this colab notebook.
- 2.) Complete the notebook, ensuring you write clear, neat code with well-organized markdowns.
- 3.) Rename it to ROLL_NO_WEEK_1
- 4.) Submit it on this google form

COLAB NOTEBOOK:  [micrograd_exercises.ipynb](https://colab.research.google.com/micrograd_exercises.ipynb)

SUBMISSION LINK: <https://forms.gle/mfZ6K1DSEjYUWNs6>

NOTE: Please ensure you submit the assignments. While there are no specific deadlines, you must submit at least 4 assignments by the end of this project. Failure to do so will result in not receiving the certificates. This is important as we need to present your work to WnCC for approval of your resume point. Please take this seriously.
